STP -00MS(387), FULTON COUNTY
P.I. No. 762590

Dear Mr. Koplon:

The Georgia Department of Transportation has the above referenced project within the City of Atlanta. This project is active and proceeding with preconstruction activities.

The Local Government Project Agreement was sent to the City on December 8, 1998 and no response has been received. (Attached is a copy of the agreement for your reference). We would like to emphasize that this is a safety project where a high accident rate exists. Preconstruction activities need to move forward on this project. Therefore, please acknowledge the City's acceptance of the project by returning an executed copy of the agreement.

If you have any questions, please contact Robert Crawford at 770-986-1050.

Sincerely,

Robert S. Crawford

Dear Jarvis Middleton:

SUBJECT: LOCAL GOVERNMENT PROJECT AGREEMENT
Project No. STP-00MS(387) FULTON CO., PI # 762590
SAFETY WORK/INTERSECTION IMPROVEMENT
SR 54/UNIVERSITY AVE/MCDONOUGH AT CAPITOL/RIDGE/GAMMON AVE

The Office of Programming has added the subject project to the Department's Construction Work Program. The City of ATLANTA is requested to indicate support of this project by executing the attached Local Government Project Agreement and returning it to this Office.

Any project not contained in the Transportation Improvement Plan (TIP) for your area and/or the Statewide Plan (STIP) will be submitted for addition. This action is required by federal law in the Transportation Equity Act for the 21st Century (TEA-21). TEA-21 also requires that the cost of the projects in the TIP/STIP be balanced with available federal funds.

If you choose not to commit to this project it may be delayed until additional funding can be found. If you commit but later are unable to keep this commitment or if you do not respond, this project will be delayed until it can be re-scheduled in the TIP/STIP. The longer you wait to commit, the longer the project will be delayed. TEA-21 requires long range planning.

If you have any questions, feel free to call me at (404) 656-5320 or Mitch Fowler, District Engineer in Chamblee at your convenience.

Sincerely yours,

Herman T. Griffin, P.E.
